

THE
LITTLE FRENCH BAKERY

BRANDY OLD FASHIONED

(Makes one drink)

1-2 Maraschino cherries

1-2 orange slices

1-2 dashes bitters

1 tsp water (if muddling with water, not fruit - see my note below)

1 tsp sugar, or 1 sugar cube

2 oz brandy

2 oz 7-Up, Squirt or 50/50

Place sugar in bottom of high ball glass. Muddle (squish) the sugar together with 1 cherry and 1 orange slice. Fill glass with ice.

Add the brandy and mixer. Stir and garnish with another cherry and orange slice.

I like to muddle the sugar with the fruit. You also muddle with a tsp with water, and garnish with fruit. Some people garnish with olives when using a sour mixer.
